We are located approximately 25-45 minutes southeast of Kelowna. From Kelowna, take Highway 33 to Big White Road junction.

1 km past this junction on the right hand side is a car park that accesses the Thunder Mtn. area of our trails. From this car park, it is another 5.3 km to McCulloch Road junction. Follow McCulloch Road for approx 4.5 km to the main parking lot, cabin and trail head.

From Beaverdell, proceed north on Highway 33. Watch for the Idabel Lake resort sign, then turn left onto McCulloch road. The parking lot and trail head are another 4.5 km along McCulloch road.

The course is two laps of rolling terrain. There will be a classic track set on the right hand side. The course for the 13 and under skiers will be different, but will start and finish in the same location.

There is no electricity available at the cabin, so waxing should be done beforehand or with your own power supply.
